Further, to the extent possible, sound amplification equipment shall be oriented so that sound is directed away from the closest residential property. For purposes of this subsection, "sound amplification equipment" means sound systems, microphones, and amplified acoustic musical instruments.

-Limitations on number of events and hours of operation. Outdoor Music Events shall be permitted only at the following days and times: (a) Two Fridays or Saturdays per calendar month from 7:00pm to 11:00pm, (b) one weekday (Monday-Thursday) per week from 5:00pm to 9:00pm, and (c) One Sunday per calendar month from 5:00pm to 9:00pm. -Prior to the month in which a Outdoor Music Event occurs the property owner shall obtain a permit allowing such event from the Zoning Administrator using a form provided by the Village. The permit shall be valid only for the designated calendar month. Prior to the issuance of such permit, the owner shall pay the Village a fee of one hundred (\$100) dollars for each monthly application.

-Revocation of Permit.
